ResponseWare™

RESPONSEWARE STUDENT SETUP

General Information

- Responseware Web is a web clicker product from Turning Technologies
- Instructors will use the clicker software to collect student responses from in class polling
- Students purchase a subscription to use the web clicker for a period of time (6 months, 1 -5 years)
- Students can purchase through the bookstore or store website. The bookstore is ordering 6 month subscriptions, while the online store offers longer subscriptions
- A subscription can be used for multiple classes during the semester. You do not need to purchase a separate subscription for each class

Step 1: Purchase a Subscription

ACPHS Bookstore

- Purchase a scratch off card that will provide you with a code for your subscription
- 6 month subscriptions
- Follow instructions on card to setup

Turning Technologies Online Store

- Go to the web site: <http://store.turningtechnologies.com>
- Enter the ACPHS code: a3xz
- Select the length of license and follow the instructions to buy the subscription
- You should receive an email with instructions to setup your account

Step 2: Create a Responseware Account

1. <http://www.rwpoll.com>
2. Manage Account
3. Create Account
4. Agree to Terms
5. Create Account – enter license code, email, password
6. Click Create Account
7. Note the Device ID for Step 3

Responseware Participant Guide:

<http://www.turningtechnologies.com/resources/ResponseWare/ResponseWareWeb-UG-Participants.pdf>

Step 3: Register for a Class

1. <http://student.turningtechnologies.com/>
2. Fill in device ID and additional information
3. Enter your instructor's email
4. Select your class from the list and click Add
5. Complete Registration

The screenshot shows a web interface for class registration. At the top, there is a text input field labeled 'Instructor Email :'. Below it is a green button with a double-checkmark icon and the text 'Display Classes'. Underneath is a large, empty rectangular area, likely a list of classes. To the right of this area are two green buttons: 'Add' and 'Remove', both with double-checkmark icons.

*Repeat steps 3-5 for each class you be using the clicker for
